capacity as representatives of other powers, and all but one had accepted. This one was kept away by a bereavement in his family. The others, he said, were in the city in the evening of the 26th.

The Society of the Cincinnati will have a dinner in the City Hall on the 26th. The guests will be Major-General John M. Schofield, Frederick S. Tallmadge, president of the Sons of the American Revolution, and James A. Black, grand secretary of the Sons of the American Revolution.

There will be thirteen toasts in honor of the original colonies.

Waiting for the flood-tide of travel. Railroads already feel the influence of the celebration, but the rush will come to-morrow.

Railroad officials do not expect the tide of travel to be at the flood until Monday morning. Every regular train that reached the city yesterday and last night was filled with visitors to the Centennial, but no road found it necessary to increase the number of trains.

Most of the passengers were from distant points. The New-York, New-Haven and Hartford brought in large numbers of New-Englanders, Maine, New-Hampshire and Vermont being especially represented. These people are mostly of New-Yorkers who have uncles, nieces and nephews in their homes. No extra trains will be run on the New-Haven road until Sunday evening.

The great Centennial rush has no holes in it and is making a tremendous head on all parts of the city. The suburban travel began on Monday. The New-York Central people have brought into service every available car on the entire system and are sure that all will be needed.

"All our trains are loaded," said Mr. Daniels yesterday, "but the crush has not begun. We shall begin to feel the pressure, however, to-morrow night. The situation on the other roads is the same. No doubt the rain deterred many persons from starting yesterday, and it is probable that the storm has come in advance."

The New-York State roads have voted in favor of a reduction in passenger rates from Western New-York on tickets bought within the period covering the celebration in New-York. The Buffalo road round the rate is reduced from \$12.50 to \$10 and the Rochester rate from \$10.50 to \$8.50, a proportionate reduction being made from all points of Syracuse, or places in about the same longitude.

MR. GRANT WILL PRESIDE AT THE BANQUET. The question as to who should preside at the banquet on Tuesday evening was a highly satisfactory one. Although the Mayor has been a highly satisfactory presiding officer, it was decided that the Mayor should preside at the banquet.

The Mayor's official duties in the Centennial are many. He will preside at the banquet on Tuesday evening, and will also preside at the Centennial dinner on the 26th.

## The True Way To Reach Boils

To cure Eczema, Pimples, and Eruptive Diseases of all kinds is to purify the blood with Ayer's Sarsaparilla. Until the blood is cleansed, there can be no permanent relief from the troubles.

"Four years ago I was severely afflicted with skin-eruptions, the itching being so incessant as to seriously interfere with sleep. Pimples, boils, and eruptions appeared on my neck and the upper part of my arms, and from there the humor went to my eyes. My appetite being poor, my health rapidly failed. I began to try Ayer's Sarsaparilla, and before I had finished ten bottles I regained my appetite, improved greatly in strength, and was permanently cured of the skin-eruptions and eczema. I consider that what I spent for this medicine was well invested. The Sarsaparilla has indeed done me incalculable good."—Mrs. J. C. Ayer, Lowell, Mass.

"My little niece was afflicted with a skin-eruption, which broke out in sores, and resisted treatment. At last, we tried Ayer's Sarsaparilla. This acted like magic. She is now entirely cured and has been in health for several months."—Margaret Peyton, Clarendon, Ark.

"For a long time I was afflicted with skin-eruptions, and could find nothing to relieve me. A friend recommended Ayer's Sarsaparilla, and after taking four bottles I was cured."—Edwin H. Tombs, Ogemaw Springs, Mich.
